CERTIFICATE OF COMMITMENT

**Candidate Portion**

It is my wish to enroll in the Confirmation Preparation Program at St. Cecilia's Parish. I understand that it is a two year program involving classroom instruction as well as service to my parish and my community. With this understanding I therefore promise that I will try to the best of my ability:

1. To attend all classes that are scheduled and if an absence is required, to attend the make-up session.
2. To volunteer in service ministry in the following areas: the elderly or sick, the needy or poor, children services through church or the community and/or any charitable organization – volunteering at least 4 times each year.
3. To assume responsibility for asking to be excused from these activities by calling the Parish Center at 488-4648 only if it is necessary.
4. To pray frequently during the next two years for inspiration and guidance from the Holy Spirit in my decision to be confirmed.
5. **To have fun and enjoy meeting new friends!**
